# 1st British-Polish IT Forum

2018-11-13 13:42:55

Announcing 1st British - Polish IT Forum. This forum provides British and Polish companies with an opportunity to talk about their experiences in working together using Information Technology.

20th November 2018 at 13:00

Venue **Polish Embassy, 47 Portland Place, London W1**  
Organiser **Polish Investment and Trade Agency**

As well as giving the tech experts a deep insight into why Poland is such a good place for discovering the new solutions and resolving the old issues, this event will also be an opportunity to meet up between senior people from IT industry of both countries, and to discuss what is the best way forward - in-house investments, or outsourcing to reputable tech firms with a solid track record.

The event is designed to facilitate contact between British and Polish firms. This makes it easier to identify firms with the technologies you need to achieve your business goals through better use of technology.

Speakers from UK firms with tech operations in Poland will explain why they chose to set up there, while Polish tech firms will showcase some large projects they have undertaken for UK clients in sectors such as AI, VR, healthcare, smart cities, imaging, games, FinTech and insurance.
