ITM INDUSTRY EUROPE 2020

2019-12-10 11:43:43

It takes time to build a strong position in the industrial sector. It is years of hard work based on thorough market analysis, business relations and trust. The MTP Group, which has been organizing industrial trade shows for several decades, has created a world trend hub for this sector in Poznań. The year 2020 will see the ninety-second edition of the event. Partners do recognize many years of experience.

ITM

INDUSTRY EUROPE

The previous edition of ITM Industry Europe involved nearly 1000 exhibitors from 30 countries offering their products and services. The impressive stands occupied 26,500 m². Modern machines, robots and specialist equipment attracted 18,573 professional visitors to Poznań. These impressive numbers leave no room for doubt. ITM Industry Europe is the largest and most significant industrial event in this part of Europe.

The trade show is not only home to extensive exhibitions of industry leaders, but also to many conferences, debates and trainings. Each year, the four-day long ITM Industry Europe is developed around the knowledge of experienced experts and supported by key industry organizations, associations and institutions.
