Seko sp z o.o. is a well known company that has been specialized for over 20 years in the production of windows & doors from PVC and aluminum.

Seko sp z o.o. is a well known company that has been specialized for over 20 years in the production of windows & doors from PVC and aluminum.

During this time, we have completed numerous projects for both private clients, small businesses, and large construction companies. We are constantly introducing innovative solutions, and constantly improve our product offering.

In our wide range of products are:

- Energy efficient, modern and functional PVC windows and doors,
- Aluminum joinery,
- Fire resistant steel doors- classes: EI 30, EI 60,
- External and internal window sills: plastic, steel, aluminum and granite'
- Mosquito nets for windows and doors,
- External and internal blinds,
- Blinds and garage doors.

Expanding our export activities we are looking for business partners interested to grow with us and discover new possibilities to expand our products with profits for everyone.
